

Vintage Carriages Trust

Museum of Rail Travel

Look and Find—8

All the things shown on this page can be found somewhere on Ingrow West Station or in the railway yard.

They may be

- on the platform
- on or in the station building
- in the railway yard or sidings
- outside the Museum—or anywhere!

When you have found an object, tick the first column and fill in the blanks in the second column—one dash per letter. Ask if you are not sure.

	<p>At the end of the platform is a GOODS SHED where wagons were loaded and unloaded. It is now the Ingrow Loco Museum.</p>	
	<p>In the station sidings there is a BRAKE VAN which is attached to the end of a goods train. It is used by the guard to stop the train.</p>	
	<p>At the entrance to the station yard, there are two large iron GATES .</p>	
	<p>In the station sidings you can find this CRANE. It is used to lift heavy carriages and engines.</p>	
	<p>This poster shows passengers that they can visit nearby HAWORTH.</p>
